GIBB GROUP
MEDICAL & RESCUE

Service Description

Medical Equipment Rental

Over 6 years of development has gone into the design, structure and layout of the EURIECA® equipment system which is based on industry credible injury scenarios and models of working.

Medical equipment is available for either a short-term or long-term rental basis. Gibb Medical & Rescue provides comprehensive maintenance and servicing of all equipment, ensuring its optimal performance.

Additionally, we offer rapid replacement of items as and when required. Our equipment is available in the United Kingdom, Europe, and the United States.
